Help us to organise the content on our new website by completing this short study

We kindly invite you to take part in a Procurement Journey Research Study

Your response will help us to organise the content on our website.

The activity shouldn't take longer than 10 to 15 minutes to complete.

Background Information

We are testing a draft structure for the Procurement Journey website. We want to understand whether people can find information in the places they would expect.

This is not a test of you. We are testing the website structure.

Your responses will be used to help improve the structure and labels of the Procurement Journey website.

We will not name individual participants in research outputs.

Please do not include confidential, commercially sensitive or personally identifying information in any free-text answers.

Taking part is voluntary. You can stop at any time by closing the browser window before submitting the study.
