

Single Procurement Document (SPD) Form and Guidance Updates - 18 May 2023

In response to feedback requesting the Single Procurement Document (SPD) process to be streamlined, the following updates have been made:

- the SPD Word document has been updated to version 1.3 to remove the guidance sections at the beginning of the document. Please note there have been no changes to the SPD questions/the remainder of the SPD questionnaire
- guidance within the Procurement Journey has been refreshed, and can be found as follows:
