

# Contract Award / Handover

Checklist

Checklist

## **Pre-Award**

Before formally awarding the contract:

- **Finalise contract terms:** Ensure all obligations, Key Performance Indicators (KPIs), milestones, service levels are clearly defined.
- **Verify financial standing:** Confirm supplier solvency, insurance, guarantees, and any parent company support.
- **Risk assessment update:** Confirm that all medium-to-high risks have mitigation measures, assigned owners, and escalation routes.
- **Internal approvals:** Obtain all necessary approvals from senior management or steering boards.
- **Stakeholder engagement:** Notify relevant internal teams, e.g., finance, operations, legal, I.T., technical leads, User Intelligence Groups (UIGs) and external stakeholders (if relevant).
- **Document control:** Ensure the final contract, schedules, and supporting documentation are properly versioned and stored.

## **Formal Contract Award**

Open or close

**Award notification:** Send formal letters via Public Contracts Scotland (PCS) or direct communication, including standstill periods if applicable.

**Record decision:** Document the award decision, including rationale, evaluation scores, and approvals.

**Contract signing:** Ensure both parties sign all contract documents.

**Communicate obligations:** Share the contract's reporting, performance, and governance requirements with the supplier.

## **Handover Planning**

Open or close

**Transition plan:** Develop a detailed plan covering:

- Responsibilities of the Contract Manager(s)
- Supplier on-boarding timeline
- Systems access, document handover, and key contacts
- Initial performance reporting schedule
- Communication and escalation procedures

**Resource allocation:** Ensure staff are assigned for monitoring, reporting, and day-to-day liaison.

**Risk transfer confirmation:** Confirm the supplier has accepted and understands risk responsibilities.

**Technical readiness:** Confirm any relevant technical systems, premises, or equipment are prepared for delivery.

## **Handover / Kick-Off**

Open or close

**Kick-off meeting:** Hold a formal meeting with all relevant stakeholders and the supplier to review:

- Contract objectives, deliverables, Key Performance Indicators (KPIs), and timelines
- Governance and reporting requirements
- Risk register and mitigation measures
- Communication and escalation processes
- Initial invoicing, payment schedules, and milestones

**Action log:** Maintain a live log of actions and responsibilities arising from the meeting.

**Supplier induction:** Ensure supplier staff are familiar with reporting templates, IT systems, and relevant Scottish public sector policies.

## **Early Performance Monitoring**

Open or close

**Initial reporting period:** Typically the first 1-3 months, focusing on compliance, milestone delivery, and financial tracking.

**Check risk response:** Review supplier's approach to initial risks and ensure mitigation measures are in place.

**Early corrective action:** Address any deviations immediately to prevent escalation.

**Document lessons:** Capture handover lessons for future contracts.

## **Key Governance and Oversight**

Open or close

**Steering group oversight:** Ensure a formal governance forum is in place for medium-to-high risk contracts.

**Regular reporting:** Agree the frequency (monthly or quarterly) for performance, risk, and financial reporting.

**Escalation routes:** Clarify which issues escalate and to whom - e.g. Contract Owner, Senior Reporting Officer (SRO), or senior management.

**Audit and assurance:** Ensure internal audit or independent assurance is scheduled for the first 6-12 months.

Checklist

## Checklist

### Documentation / Record-Keeping

- Signed contract and all schedules
- Risk register and mitigation plans
- Governance and reporting frameworks
- Kick-off meeting minutes and action log
- Supplier contact and escalation details
- Performance and financial monitoring templates

## Quickfire Guide

### Quickfire Guide

### Summary of Steps

Phase	Key Actions
Pre-Award	Approvals, risk assessment, financial checks, stakeholder briefing
Contract Award	Sign contract, notify supplier, record decisions
Handover Planning	Transition plan, resource allocation, technical readiness
Kick-Off / Handover	Stakeholder meeting, review Key Performance Indicators (KPIs), confirm risk, action log
Governance & Oversight	Regular reporting, escalation, audit assurance
Documentation	Keep all records accurately filed and easy to be found

Checklist

Checklist

## **Key Principles**

1. Ensure **clear roles, responsibilities, and escalation routes**.
2. Confirm **supplier readiness and risk understanding**.
3. Maintain **structured communication and reporting** from day one.
4. Treat the **first 1-3 months as critical** for embedding good contract management practices.

Document everything for **audit and lessons learned**
